Year Plan Sample (based on 40-week school year)

The sample year plan lists one way you could incorporate vocabulary into your language arts lessons using a variety of motivating topics or themes. You could also incorporate the content area topics in Science, Social Studies, and Health into your year plan.

The year plan sample is based on a 40-week school year and could be used in your Grade 1, 2 or 3 classrooms. This year plan is meant to be an example of how you could structure your vocabulary for the school year. Be sure to create a year plan that meets your planning needs and the needs of your students.

*** If you've downloaded the writing activities year plan, the topics are the same.
